What Alice Forgot By Liane Moriarty

What would happen if you were visited by your younger self, and got a chance for a do-over? Alice Love is 29 years old, madly in love with her husband, and pregnant with their first child. So imagine her surprise when, after a fall, she comes to on the floor of a gym (a gym! she HATES the gym!) and discovers that she's actually 39, has three children, and is in the midst of an acrimonious divorce. A knock on the head has misplaced 10 years of her life, and Alice isn't sure she likes who she's become. It turns out, though, that forgetting might be the most memorable thing that has ever happened to Alice.
