Blackout Girl: Growing Up and Drying Out in America By Jennifer Storm

A riveting memoir of what happens to a teenage girl whose life is awash in alcohol, drugs, and the trauma of rape.

Jennifer Storm's *Blackout Girl* is a can't-tear-yourself-away look at teenage addiction and redemption. At age six, Jennifer Storm was stealing sips of her mother's cocktails. By age 13, she was binge drinking and well on her way to regular cocaine and LSD use. Her young life was awash in alcohol, drugs, and the trauma of rape. She anesthetized herself to many of the harsh realities of her young life--including her own misunderstandings about her sexual orientation--, which made her even more vulnerable to victimization. *Blackout Girl* is Storm's tender and gritty memoir, revealing the depths of her addiction and her eventual path to a life of accomplishment and joy.

Editorial Review

Review

"A common story. A rare twist. When the American dream became her secret nightmare. Jennifer Storm begins the dark descent into addiction. Then she discovers that the same events that destroy her also create her. Written in a humble, raw voice, *Blackout Girl* helps us remember where we came from--and why."

--Melody Beattie, author of *Codependent No More*, *The Grief Club*, and other best sellers
