Survive the Night By Danielle Vega

Stephen King meets *Pretty Little Liars* in this pulse-pounding novel from the author of *The Merciless*

Just back from rehab, Casey regrets letting her friends Shana, Julie, and Aya talk her into coming to Survive the Night, an all-night, underground rave in a New York City subway tunnel. Surrounded by frightening drugs and menacing strangers, Casey doesn't think Survive the Night could get any worse...

...until she comes across Julie's mutilated body in a dank, black subway tunnel, red-eyed rats nibbling at her fingers. Casey thought she was just off with some guy—no one could hear her getting torn apart over the sound of pulsing music. And by the time they get back to the party, everyone is *gone*.

Desperate for help, Casey and her friends find themselves running through the putrid subway tunnels, searching for a way out. But every manhole is sealed shut, and every noise echoes eerily in the dark, reminding them they're not alone.

They're being *hunted*.

Trapped underground with someone—or *something*—out to get them, Casey can't help but listen to Aya's terrified refrain: "We're all gonna die down here."

Editorial Review

From School Library Journal

Gr 9 Up—Casey just got out of rehab, and she is having trouble adjusting. When her old friend Shana shows up to whisk her away for a night of debauchery in New York City, Casey can't join her fast enough. Shana didn't tell her that they were going to see Sam, Casey's ex-boyfriend. Their awkward reunion is interrupted by news of an underground party that no one can find. Shana uses her powers of persuasion to get a location, but the group of friends soon discover that the "Survive the Night" party is a name that should be taken literally. Will any of them be able to get out alive? With this pulse-pounding, nail-biting novel from the author of *The Merciless* (Penguin, 2014), Vega creates immediately likable and relatable characters in shell-shocked Casey and free-spirited bad girl Shana. Seemingly innocuous moments become situations of disquieting terror, like when Casey tries to go after Shana in a warehouse in an attempt to find the party's location. Casey's past romance with Sam provides an interesting layer that keeps the book moving in its early quiet chapters. When events amp up toward the climax, the characters react to their predicament resolutely and continue their strong dynamic. **VERDICT** This book will appeal to fans of suspense who don't mind monsters popping out from behind every corner.—Ryan P. Donovan, Southborough Public Library, MA

Review

"Vega morphs a teen-rebellion story into horror and does a nifty job with both...scary and gory, tailor-made for fans of the genre." —***Kirkus Reviews***

"Readers will be glued to the pages, trying to figure out who or what is the terror that lurks beneath the surface." —***Booklist***

"With this pulse-pounding, nail-biting novel from the author of *The Merciless*, Vega creates immediately likable and relatable characters." —***School Library Journal***

"This exhilarating teen thriller will appeal to readers who crave a nail-biting page-turner." —***School Library Connection***

About the Author

Danielle Vega spent her childhood hiding under the covers while her mother retold tales from the pages of Stephen King novels instead of reading bedtime stories about princesses and dwarves like a normal parent. Now an adult, she can count on one hand the number of times in her life she's been truly afraid. Danielle has won numerous awards for her fiction and nonfiction, and earned a 2009 Pushcart Prize nomination for her short story "Drive." She is also the author of *The Merciless*.

Users Review

From reader reviews:

Amelia Gallup:

What do you regarding book? It is not important along? Or just adding material when you want something to explain what the ones you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. They should answer that question

mainly because just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this Survive the Night to read.

Cheryl Phelps:
