Editorial Review

Review

"Incredible amount of detail about all those kickers from the past, including an appendix with comprehensive model-year information." - WoodenBoat; "This book is the one to buy if you are interested in collecting antique outboard motors." - Boating

From the Back Cover

"This book is the one to buy if you are interested in collecting antique outboard motors."--Boating

The only complete guide to finding and identifying vintage outboard engines

Antique outboard motors have a mystique much like vintage cars, and they're much more affordable. Plus, once restored, they can be put to good use again, providing power for putt-putting around, fishing, waterskiing, or even racing.

The Old Outboard Book tells the story of the outboard motor, from the earliest days near the end of the nineteenth century through the dawn of the modern outboard era in the 1960s. Virtually every outboard motor ever built is here: Caille, Champion, Evinrude, Flambeau, Johnson, Martin, Mercury, Scott-Atwater, Waterwitch--the Big List chapter covers them all. The book also includes comprehensive oil-mix and spark plug charts for most old outboards.

The third edition of Peter Hunn's classic continues the story of the outboard motor, extending the coverage of U.S. and Canadian motors up to the mid-1970s and adding motors from Australia and Great Britain. In addition, the pricing and rarity guide and the complete model-year list have been updated.

If you're a buff of old outboard motors, you need this book.

"Love old outboard motors? Check out *The Old Outboard Book*."--Motor Boating & Sailing

"Incredible amount of detail about all those kickers from the past."--WoodenBoat

About the Author

Peter Hunn began collecting old outboards after receiving a 1928 Johnson for his tenth birthday, and since then he has acquired several hundred. Hunn is a outboard curator for the Thousand Islands Antique Boat Museum and is a regular contributor to *Antique Outboarder* magazine. The former owner of two upstate New York radio stations, he currently teaches communication studies at the State University of New York, Oswego.

Users Review

From reader reviews:

Eric Fincher:

The book The Old Outboard Book make you feel enjoy for your spare time. You may use to make your capable far more increase. Book can being your best friend when you getting pressure or having big problem along with your subject. If you can make reading a book The Old Outboard Book to get your habit, you can get considerably more advantages, like add your capable, increase your knowledge about several or all subjects. It is possible to know everything if you like open up and read a reserve The Old Outboard Book. Kinds of book are a lot of. It means that, science book or encyclopedia or other individuals. So , how do you think about this book?

Walter Reeves:

Reading a publication tends to be new life style in this particular era globalization. With looking at you can get a lot of information that may give you benefit in your life. Having book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or their experience. Not only the storyplot that share in the publications. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some investigation before they write on their book. One of them is this The Old Outboard Book.

Lucia Stevenson:

That e-book can make you to feel relax. This book The Old Outboard Book was multi-colored and of course has pictures on the website. As we know that book The Old Outboard Book has many kinds or type. Start from kids until adolescents. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. So , not at all of book are make you bored, any it makes you feel happy, fun and rest. Try to choose the best book in your case and try to like reading in which.

Daryl Radford:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Old Outboard Book can make you sense more interested to read.
