**Yokai Attack!: The Japanese Monster Survival Guide** By Hiroko Yoda, Matt Alt

Yokai are Japan's traditional creepy-crawlies. Almost always encountered in the dark of night, they were once feared throughout the land. But they're more than just myth, more provocative than pop culture--references to yokai abound in Japanese idioms, and nearly every Japanese person has at least a passing knowledge of the most famous of these captivating creatures from times of old. Now, after collecting data and descriptions from a variety of sources, including first-hand accounts and microfilms of 18th-century publications stored in the National Diet Library in Tokyo, authors Hiroko Yoda and Matt Alt have produced the first English-language guide to Japan's yokai monsters. Original illustrations, created by the talented Tatsuya Morino, detail the potential visible appearance of each yokai. And alongside each and every one are data points allowing you to take in each yokai's characteristics at a glance.

Forget Godzilla. Forget the giant beasties karate-chopped into oblivion by endless incarnations of Ultraman, Kamen Rider, and the Power Rangers. Forget the Pocket Monsters. Forget Sadako from *The Ring* and that creepy all-white kid from *The Grudge*. Forget everything you know about Japanese tales of terror. Their roots may extend back to days of yore, but *Yokai Attack!* will convince any reader that Japan's bewitching tradition of yokai monsters is far from being history.

### Editorial Review

#### Review

"Yokai Attack! is essential reading for any fan of monsters, horror and manga!" - Steve Niles, Creator, 30 Days of Night "An invaluable resource for anyone interested in J-Horror and Japanese culture; gave me a deeper understanding of what I've been enjoying for so many years." - Don Coscarelli, director, "Phantasm" series and Bubba Ho-tep"

#### About the Author

**Hiroko Yoda** and **Matt Alt** are a husband and wife team who run a Tokyo-based translation company that specializes in producing the English versions of Japanese video games, comic books and literature. Alt is the co-author of *Super #1 Robot* (2005), a detailed photo-history of 1970s Japanese robot toys. Alt and Yoda are also co-authors of *Hello, Please! Very Helpful Super Kawaii Characters From Japan* (2007), a book about Japanese cute character culture. They also happen to have firsthand yokai experience, having appeared as extras in the Takashi Miike film *The Great Yokai War* (2005).

Illustrator **Tatsuya Morino** became the assistant to Shigeru Mizuki, one of Japan's most beloved manga artists, when he was fresh out of high school. After going independent, he illustrated the graphic novel *Kibakichi*, which was turned into a pair of successful movies of the same name. He also works as a character designer, with credits including the Gainax video game *Yokai Family* and the web comic *Trip Trek*. His comic *Legentail Sennenta* is currently serialized in Kadokawa Shotens monthly comic collection *Kero Kero Ace*.

### Users Review

#### From reader reviews:

##### Gerald James:

Reading a publication can be one of a lot of pastime that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people love it. First reading a guide will give you a lot of new information. When you read a guide you will get new information due to the fact book is one of several ways to share the information as well as their idea. Second, reading through a book will make you actually more imaginative. When you reading a book especially fictional works book the author will bring one to imagine the story how the character types do it anything. Third, you could share your knowledge to other people. When you read this *Yokai Attack!: The Japanese Monster Survival Guide*, you could tells your family, friends along with soon about yours book. Your knowledge can inspire others, make them reading a book.

##### Dorothy Pierce:

The book *Yokai Attack!: The Japanese Monster Survival Guide* has a lot details on it. So when you check out this book you can get a lot of gain. The book was authored by the very famous author. The writer makes some research ahead of write this book. This particular book very easy to read you will get the point easily after looking over this book.

**Doyle Swoope:**

That publication can make you to feel relax. This particular book Yokai Attack!: The Japanese Monster Survival Guide was vibrant and of course has pictures around. As we know that book Yokai Attack!: The Japanese Monster Survival Guide has many kinds or variety. Start from kids until young adults. For example Naruto or Investigation company Conan you can read and believe that you are the character on there. Therefore not at all of book tend to be make you bored, any it makes you feel happy, fun and rest. Try to choose the best book to suit your needs and try to like reading in which.

**Ernest Bryan:**

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Yokai Attack!: The Japanese Monster Survival Guide can make you experience more interested to read.
