It is his classic memoir of Paris in the 1920s, filled with irreverent portraits of other expatriate luminaries such as F. Scott Fitzgerald and Gertrude Stein; tender memories of his first wife, Hadley; and insightful recollections of his own early experiments with his craft. It is a literary feast, brilliantly evoking the exuberant mood of Paris after World War I and the youthful spirit, unbridled creativity, and unquenchable enthusiasm that Hemingway himself epitomized.
