### A Weekend with Wendell By Kevin Henkes

Wendell was spending the weekend at Sophie's house. Playing house, Wendell was the mother, the father, and the children; Sophie was the dog. Playing bakery, Wendell was the baker; Sophie got to be the sweet roll. Wendell shone his flashlight in Sophie's eyes when she tried to sleep. But when he gave her a new hairdo with shaving cream, it was the last straw, and Sophie made up a game that left Wendell speechless for a time -- and won the day for friendship.

## **Editorial Review**

From Publishers Weekly

The author of *Protecting Marie* (see boxed review, p. 73) demonstrates his versatility in this fetchingly illustrated story about a young mouse houseguest and her reluctant mouse host. Ages 4-up.

Copyright 1995 Reed Business Information, Inc.

From School Library Journal

PreSchool-Grade 3 Sophie and her parents count the hours until Wendell's weekend visit is over. Not only does he wreck Sophie's toys and dominate their games, but he also messes up the house and is generally a troublemaker. However, once Sophie manages to turn the table, she decides Wendell may not be so bad after all. Henkes' watercolor illustrations of the four mice are cheerful and amusing. The mice are lively, expressive, and appealing. Children may secretly wish that they could be as daring as Wendell, but they will also rejoice when Sally finally asserts herself. Kathy Piehl, Mankato State University, Minn.
