Impoliteness: Using Language to Cause Offence (Studies in Interactional Sociolinguistics)

By Jonathan Culpeper

Impoliteness: Using Language to Cause Offence (Studies in Interactional Sociolinguistics) By Jonathan Culpeper

When is language considered 'impolite'? Is impolite language only used for anti-social purposes? Can impolite language be creative? What is the difference between 'impoliteness' and 'rudeness'? Grounded in naturally-occurring language data and drawing on findings from linguistic pragmatics and social psychology, Jonathan Culpeper provides a fascinating account of how impolite behaviour works. He examines not only its forms and functions but also people's understandings of it in both public and private contexts. He reveals, for example, the emotional consequences of impoliteness, how it shapes and is shaped by contexts, and how it is sometimes institutionalised. This book offers penetrating insights into a hitherto neglected and poorly understood phenomenon. It will be welcomed by students and researchers in linguistics and social psychology in particular.

Editorial Review

Review
"Culpeper's outstanding book documents that the time is ripe for us to address the urgent social problem of violence in language. In proposing an insightful theory of impoliteness, Culpeper accurately reads classic and contemporary linguistic theories and analyses a wide range of oral and written impoliteness events."
Daniel Silva, Journal of Language Aggression and Conflict

About the Author
Jonathan Culpeper is based in the Department of Linguistics and English Language at Lancaster University.

Users Review

From reader reviews:

Colleen Key:

Book is definitely written, printed, or descriptive for everything. You can know everything you want by a guide. Book has a different type. As it is known to us that book is important thing to bring us around the world. Next to that you can your reading skill was fluently. A publication Impoliteness: Using Language to Cause Offence (Studies in Interactional Sociolinguistics) will make you to be smarter. You can feel considerably more confidence if you can know about every thing. But some of you think that will open or reading a book make you bored. It is far from make you fun. Why they might be thought like that? Have you looking for best book or appropriate book with you?
