**Introduction to Human Services: Policy and Practice, An with MyHelpingLab with eText -- Access Card Package (8th Edition)** By Betty Reid Mandell, Barbara Schram

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

## Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

## Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

## Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

***Complete, up-to-date coverage of social welfare programs and policies with special coverage of how history, politics, and the economy shape these programs***

This text puts the field of human services into a historical context, provides insights into the social welfare field, and gives concrete examples of how primary intervention strategies are put into daily practice in human service

agencies.

It presents the many options offered in the field of human services and discusses the stresses that a human service worker will face in day-to-day work, with practical suggestions for avoiding burnout. The text compares the U.S. social welfare systems to systems in other countries, and uses a strong multicultural and social systems approach that distinguishes it from other texts.

### Teaching & Learning Experience

- *Personalize Learning* — MyHelpingLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.

## **Editorial Review**

### About the Author

**Betty Reid Mandell** is Professor Emerita at Bridgewater State College, Massachusetts. She is the editor of *The Crisis of Caregiving: Social Welfare Policy in the United States*, Palgrave/Macmillan, 2010, and is the co-editor of *New Politics*.

**Barbara Schram** graduated from Antioch College and received masters degrees in both sociology and social work from Columbia University and a doctorate from Harvard University with a specialization in education and social policy.

Worked as a program direction of a large recreational and cultural organization, planning programs for children and young adults and supervising staff who delivered these services. Spent several years as the director of a community agency in a low income urban area helping parents become involved in their children's education and effect changes in the schools that better reflected their cultural background and values. Spent 26 years at Northeastern University where she originated and then taught in the Human Services Program. Designed appropriated courses and supervised student internships.

Has done extension volunteer work with citizen groups involved in interracial and special needs adoptions, improving services for persons with learning disabilities and improving prison education programs.

In addition to this text she has written over 20 articles and a book entitled, *Creating the Small Scale Social Program: From idea to implementation to evaluation*.
