The Knowledge Deficit: Closing the Shocking Education Gap for American Children By E. D. Hirsch Professor of English

The Knowledge Deficit illuminates the real issue in education today -- without an effective curriculum, American students are losing the global education race. In this persuasive book, the esteemed education critic, activist, and best-selling author E.D. Hirsch, Jr., shows that although schools are teaching the mechanics of reading, they fail to convey the knowledge needed for the more complex and essential skill of reading comprehension. Hirsch corrects popular misconceptions about hot issues in education, such as standardized testing, and takes to task educators' claims that they are powerless to overcome class differences. Ultimately, this essential book gives parents and teachers specific tools for enhancing children's abilities to fully understand what they read.

Editorial Review

Review

"An important message, eloquently expressed." --Steven Pinker, Johnstone Family Professor of Psychology, Harvard University, and author of *The Language Instinct* and *How the Mind Works*

"If we did what E.D. Hirsch said, and made sure that all students, regardless of race, income, or neighborhood, were exposed to a rich, challenging, sequenced curriculum in important subjects, schools could make a much bigger difference than they already do." --Ed McElroy, president, American Federation of Teachers

"[Hirsch] wants to reverse the current emphasis on reading as a mechanical process and replace it with content-rich curriculum that will turn all children into knowledgeable readers. It's a worthy goal for our schools in an increasingly competitive globalized world." *New York Post*

"On many fronts, Hirsch's book challenges the conventional educational wisdom. Parents ought to check it out." --*Rocky Mountain News*

"[A] powerful argument . . . [Hirsch's] well-reasoned, common-sense proposals address a vital issue, and his book provides a valuable addition to the debate on public policy in education." --*Richmond Times-Dispatch*

About the Author

E.D. Hirsch, Jr. is the Linden Kent Memorial Professor of English at the University of Virginia, Charlottesville, and the author of *Cultural Literacy*, *The First Dictionary of Cultural Literacy*, and *The Core Knowledge Series*. Dr. Hirsch is a fellow of the American Academy of Arts and Sciences, and has been a senior fellow of the National Endowment for the Humanities. He is president of the Core Knowledge Foundation, a nonprofit organization devoted to educational reform.

Users Review

From reader reviews:

John Tibbs:

What do you with regards to book? It is not important along? Or just adding material when you need something to explain what the ones you have problem? How about your free time?
