On the rocky coast of Scotland in 1929, Hexy, a young American, weeps into the sea and inadvertently summons a selkie prince, then steals his fur, thinking it belongs to her movie-star employer. In his human form Ruairidh is powerful and gorgeous, and his magic makes Hexy throw caution to the wind and rush to his bed. The selkie are an endangered species. No female child has been born to them for over a hundred years, and the mortal women with whom they mate can only produce male children. But Hexy is different. It's possible that she carries the MacNicol blood and may be the salvation of the selkie. No one will know, however, unless she can survive the snare set for her by an evil finman who has invaded her dreams and holds the souls of many hostage in his underwater cave. Jackson's page-turning paranormal romance will resonate with everyone who has been enchanted by tales of those who change their sea-bound forms to walk among humans. *Diana Tixier Herald*

About the Author

Melanie has been writing her entire life. In fact, one of her earliest fond memories is receiving an IBM Selectric typewriter for her birthday. After publishing romance novels (Scottish historical and paranormal) from 1999 to 2010, Melanie chose to begin self-publishing cozy mysteries. Since then she has released the Chloe Boston, Butterscotch Jones, Wendover House, and Miss Henry Mystery series.

Melanie Jackson is the award-winning author of more than seventy novels, novellas and poems published in various languages. She lives with her writer husband, her bossy cat and spoiled dog in the Sierra foothills where it is almost impossible to grow pumpkins (or anything else the deer like). Besides gardening, she is involved with animal charities.
