**Air Traffic Control Test Prep (Air Traffic Control Test Preparation)** By LearningExpress LLC Editors

If you are preparing for a career in air traffic control, you can expect fierce competition for a job within the field. With high pay, good benefits, and rewarding job prospects, an ATC career is highly desired. You can gain an advantage on the competition by successfully completing the AT-SAT, the exam administered by FAA-approved programs.

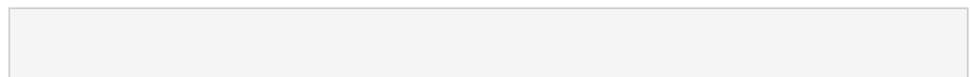

Air Traffic Control Test Prep will help you master the fundamentals you need to start your career in this exciting field!

This comprehensive guide provides you with extensive practice (800+ questions!) for the question types you will see on the exam. Though the practice tests within do not exactly align with recent test changes, the questions in the book will be very helpful in practicing for such a complex and extensive test.

Inside you will also find explanations of:

- The nitty-gritty of air traffic control systems
- Navigation systems
- Airways
- Communication
- Surveillance
- Interpreting weather forecasting
- Mapping airspace
- Airport information
- And more!

With the number of increasing worldwide flights and a large percentage of the current ATC workforce set to retire, this part career guide, part question manual offers A-to-Z guidance in a field booming with opportunity.
