Editorial Review

Review

"Unputdownable . . . A chilling, fast-moving suspense thriller" ""The Boston Globe""

About the Author

Doctor and author Robin Cook is widely credited with introducing the word 'medical' to the thriller genre, and over twenty years after the publication of his breakthrough novel, *Coma*, he continues to dominate the category he created. Cook has successfully combined medical fact with fiction to produce over twenty-seven international bestsellers, including *Outbreak* (1987), *Terminal* (1993), *Contagion* (1996), *Chromosome 6* (1997), *Foreign Body* (2008), *Intervention* (2010) and most recently *Cure* (2011).

From reader reviews:

Mark Cabrera:

Book is to be different for each and every grade. Book for children right up until adult are different content. As it is known to us that book is very important usually. The book *Coma* has been making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The reserve *Coma* is not only giving you considerably more new information but also being your friend when you really feel bored. You can spend your own personal spend time to read your book. Try to make relationship using the book *Coma*. You never really feel lose out for everything when you read some books.

Larry Hunter:

Many people spending their time by playing outside using friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading through a book. Ugh, do you consider reading a book will surely hard because you have to bring the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Mobile phone. Like *Coma* which is getting the e-book version. So , try out this book? Let's see.

Denise Church:

As we know that book is important thing to add our information for everything. By a reserve we can know everything you want. A book is a group of written, printed, illustrated or blank sheet. Every year had been exactly added. This guide *Coma* was filled about science. Spend your spare time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading a new book. If you know how big benefit of a book, you can really feel enjoy to read a reserve. In the modern era like now, many ways to get book that you simply wanted.

Robert Carroll:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Coma can make you sense more interested to read.
