Editorial Review

From the Back Cover

"Buddhist scholar and Catholic theologian Robert Magliola makes the convincing claim that an adaptation of some of Derrida's strategies makes it possible for Christians to affirm the positive role of Buddhist spiritual practices and teachings." --**Rev. William Skudlarek, OSB, consultore**, Pontifical Council for Interreligious Dialogue (Vatican)

"A new approach based not on samenesses but on 'founding and irreducible' differences."--**Fra Matteo Nicolini-Zani**, coordinator, Monastic Interreligious Dialogue, Italy

"A substantial achievement. Robert Magliola is radical as well as profoundly faithful to his own Catholic background."--**Gavin D'Costa**, professor of Catholic theology, Univ. of Bristol, U.K.

"Robert Magliola is one of the great scholars of Derrida and Buddhism. This new book presents a philosophical foundation for understanding how Catholics can learn and receive from the *differences* of Buddhism."--**Donald W. Mitchell**, professor of philosophy emeritus, Purdue Univ.

"This book will be a key tool in grassroots Buddhist-Christian relations."--**Rev. James Loughran, SA**, director, Graymoor Ecumenical and Interreligious Institute, N.Y.

"Robert Magliola has brought to fulfillment a long path of formation in meditation under the guidance of recognized Buddhist masters in Asia and America. I certify that [he] is qualified to teach meditation [to Catholic clergy, Religious, laity] as transmitted in Zen and in other Oriental modes."--**Rev. L. Mazzocchi, SX**, director, *Vangelo e Zen*, Xaverian Fathers, Italy

Robert Magliola's exposition of Buddhist teachings and practices in Theravada, Mahayana, and Vajrayana has been approved by **Ven. Bhikkhu Bodhi**, pres., Buddhist Publishing Society (1988-2010), Sri Lanka; and **Ven. Dr. Dhammadipa (Fa Yao)**, abbot, Chuang Yen Monastery, N.Y.

Praise for previous books:

From **Jacques Derrida**'s letter, July 6, 1997, to Robert Magliola, regarding Magliola's book *On Deconstructing Life-Worlds* (1997):

"What a magnificent book! . . . Your profundity, your boldness, and your independence amaze and impress me."

For Magliola's *Derrida on the Mend* (1984):

"The reader will find, as I do, this enterprise not only original and bold, but plausible and extraordinarily illuminating."

--**Paul Ricoeur**, professor of philosophy, University of Paris; distinguished professor of philosophy and theology, University of Chicago

"A brilliant and dynamic cross-cultural analysis. In the section on Madhyamika Buddhism he has drawn from a range of Buddhist scholarship to translate with remarkable clarity the spirit of devioidness as articulated by the Indian Buddhist Nagarjuna."

--**Frederick J. Streng**, professor of the history of religions (Oriental/Occidental), graduate center for religious studies, Southern Methodist University; Buddhologist; translator of Nagarjuna's *M?lamadhyamak?rik?*

About the Author

ROBERT MAGLIOLA (Ph.D. Princeton University), formerly chair professor, National Taiwan University and professor of philosophy/religious studies, Assumption University (Thailand), has authored three earlier books -- all widely reviewed -- and many articles in hermeneutics, Derrida, and religion. A Carmelite lay tertiary, he is affiliated with the Vangelo e Zen community (Italy) and Ling Jiou Shan's Buddhist Center (N.Y.).
