Explore American politics through the Constitution

Government by the People provides a thorough, Constitution-based introduction to the foundational principles, processes, and institutions of American government. Throughout, authors David Magleby, Paul Light, and Christine Nemacheck highlight the central role that people play in a constitutional democracy, inspiring students to see how similarities and differences in political beliefs continue to shape government to this day. The 2014 Elections and Updates Edition includes coverage of the major issues in today's headlines to engage students in learning, as well as to boost the relevance of course material to students' lives.

Also available with MyPoliSciLab®

MyPoliSciLab for the American Government course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please
