### IM Essentials Text By The American College of Physicians, Clerkship Directors in Internal Medicine

IM Essentials Text is based on the national core curriculum and written by clerkship directors to cover all of the key content needed for students to get the most out of the clinical clerkship in medicine. Organized by traditional subspecialty internal medicine topics, IM Essentials Text contains more than 250 differential diagnosis tables and treatment algorithms, as well as over 150 color plates, imaging studies, and electrocardiograms to optimize your learning. IM Essentials Text is part of the IM Essentials suite of study materials produced for students through a collaboration of the American College of Physicians and the Clerkship Directors in Internal Medicine. Also available is IM Essentials Questions, containing over 500 self-assessment questions. IM Essentials Text includes FREE access to the online version of IM Essentials that combines the full content of both IM Essentials Text and IM Essentials Questions, plus digital Flashcards. The interactive format allows you to:

- Work at your own pace using different devices
- Access more than 500 multiple-choice questions with the ability to switch back-and-forth between questions and associated text content
- Create custom quizzes to focus on the content you need to study the most
- Read critiques explaining why each answer is correct or incorrect
- Review key point summaries for each question
- Over 1000 Digital Flashcards to review key facts while preparing for the clerkship exam
- Compare your progress to other IM Essentials users

## **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **William Coker:**

What do you in relation to book? It is not important to you? Or just adding material when you really need something to explain what the ones you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every individual has many questions above. They need to answer that question simply because just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this particular IM Essentials Text to read.

##### **James Pierce:**

Nowadays reading books are more than want or need but also work as a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The details you get based on what kind of publication you read, if you want get more knowledge just go with schooling books but if you want experience happy read one along with theme for entertaining like comic or novel. The IM Essentials Text is kind of reserve which is giving the reader unstable experience.

##### **Justin Fernandez:**

Reading a reserve can be one of a lot of action that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new details. When you read a publication you will get new information since book is one of several ways to share the information or their idea. Second, looking at a book will make you more imaginative. When you studying a book especially tale fantasy book the author will bring that you imagine the story how the characters do it anything. Third, you could share your knowledge to other people. When you read this IM Essentials Text, you could tells your family, friends in addition to soon about yours publication. Your knowledge can inspire the mediocre, make them reading a reserve.

##### **Robert Monson:**

Why? Because this IM Essentials Text is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will shock you with the secret this inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content within easier to

understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of gains than the other book possess such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.
