### Editorial Review

#### Amazon.com Review

From the first day of third grade, when Ramona Quimby meets her eventual nemesis Yard Ape, life moves on at its usual wild pace--usual for the boisterous Ramona, that is. Soon she is accidentally squashing a raw egg into her hair at the school cafeteria, being forced to play Uncle Rat with her annoying young neighbor, and, worst of all, throwing up in her classroom. The responsibilities of an 8-year-old are sometimes daunting, especially in a family that is trying to squeak by while the father goes back to school. But Ramona is full of too much vim and vigor to ever be down for long.

In her second Newbery Honor Book about Ramona (the first was *Ramona and Her Father*), Beverly Cleary presents another slice of the Quimby family life. Author of more than two dozen children's books, Cleary has a true knack for understanding the tangle of thoughts and emotions in a child's mind and heart. Empathic, witty, and astute, she has earned many other awards, including the Newbery Medal for *Dear Mr. Henshaw*. Alan Tiegreen's clever line drawings have charmed countless readers of Cleary's books over the years, and his style is now inextricably tied to hers. (Ages 8 to 12) --*Emilie Coulter*

#### Review

"Cleary shows us life through Ramona's eyes and shows her young readers that they are not alone." -- "Kirkus Reviews"

#### From the Inside Flap

Read by Stockard Channing  
Two cassettes / 2 hours 5 minutes

Mr. Quinby's going to college, Mrs. Quinby's going to work. Now that Ramona is eight, she can go to a new school with a new teacher and ride the bus all by herself. But after school she has to stay with Grandmother Kemp and be nice to that bratty little Willa Jean until Beezus--who's tempermental enough to ruin anyone's day--comes to take her home. Life isn't as easy for Ramona as it used to be. All the Quimbys have to adjust, and Ramona gets her chance to prove that she's "big enough for her family to depend on."

### Users Review

#### From reader reviews:

##### Olga Noone:

Nowadays reading books be a little more than want or need but also get a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that will improve your knowledge and information.
