Ruthless Grieving: The Journey to Acceptance and Beyond By Susan Powers Ph.D.

"Dr. Susan Powers has used her considerable training and knowledge as a psychologist and her experience as one who has 'been there' to open up a deep and necessary dialogue on this subject. I have no doubt that she will be helping people for decades to come as a result." —Tian Dayton, Ph.D.

"Don't walk but RUN to get this wonderful book *Ruthless Grieving: The Journey to Acceptance and Beyond* by Susan Powers. She has written a very moving book about her personal grief of two deaths in one year! There are ample exercises that guide the reader to do their own grieving process. One, for example, is 'Steps of Grieving,' which is modeled after the Twelve Steps of Alcoholics Anonymous. Also quite helpful to the reader are pages titled 'Things to Remember.' This book is a MUST READ for all in the healing professions!"

—Ilana Rubenfeld, Founder and developer of The Rubenfeld Synergy Method and author of *The Listening Hand*
