**Seminar on Dream Analysis. C.G. Jung (Jung Seminars) (v. 1)** By William McGuire

While the basis of these seminars is a series of 30 dreams of a male patient of Jung's, the commentary ranges associatively over a broad expanse of Jung's learning and experience. A special value of the seminar is the close view it gives of Jung's method of dream analysis through amplification. The editorial aim has been to preserve the integrity of Jung's text.

## **Editorial Review**

### **From the Back Cover**

This volume presents the entire text of the transcript of one of Jung's unpublished seminars, given in English in Zurich to a small class of students. Until now the transcripts of these seminars, in which Jung expounded his views on psychology and his analytical methods, as well as his ideas on society, the individual, religion, and a variety of other topics, have been circulated only privately, to a restricted group.
