The Collected Essays of Milton Babbitt By Milton Babbitt

Like his compositions, Milton Babbitt's writings about music have exerted an extraordinary influence on postwar music and thinking about music. In essays and public addresses spanning fifty years, Babbitt has grappled profoundly with central questions in the composition and apprehension of music. These writings range from personal memoirs and critical reviews to closely reasoned metatheoretical speculations and technical exegesis. In the history of music theory, there has been only a small handful of figures who have produced work of comparable stature. Taken as a whole, Babbitt's writings are not only an invaluable testimony to his thinking--a priceless primary source for the intellectual and cultural history of the second half of the twentieth century--but also a remarkable achievement in their own right.

Prior to this collection, Babbitt's writings were scattered through a wide variety of journals, books, and magazines--many hard to find and some unavailable--and often contained typographical errors and editorial corruptions of various kinds. This volume of almost fifty pieces gathers, corrects, and annotates virtually everything of significance that Babbitt has written. The result is complete, authoritative, and fully accessible--the definitive source of Babbitt's influential ideas.

Editorial Review

Review

"A car won't run unless it's engineered correctly, and the same applies to a piece of music. And Babbitt always insists that the whole point of structure in music is that it can be heard: you may have to listen at full stretch, but it will be worth it. Rather like this book--difficult stuff, but intellectually rigorous and undeniably honest."--**Martin Cotton, BBC Music Magazine**

"It's the book's role as an encapsulation of Babbitt's formalistic way of thinking about music which matters, and this is rendered suitably ambiguous by an intriguing disparity in the types of essay included. These veer between the extremes of the coolly technical and the warmly biographical (and autobiographical). We might not get Babbitt's views on what compositions represent in terms of emotion or feeling, but there is plenty of vivid characterization when it comes to people and places."--**Arnold Whittall, Musical Times**

"Milton Babbitt's musical world is not a simple one. . . . That's also true of Babbitt's written output. . . . But it's witty too, as you'd expect from the composer of such titles as *Joy Of Sextets*."--**Andy Hamilton, The Wire**

"Milton Babbitt, at eighty-nine, has been handsomely, if belatedly, served by this collection of forty-three essays testifying to his seminal presence in musical history. . . . Overall the enterprise is a fine assemblage of scattered writings which will surprise even aficionados by its range."--**Jonathan Harvey, Times Literary Supplement**

From the Inside Flap

"The time is eminently ripe--indeed past due--for a collection of the writings of Milton Babbitt."--Elaine Barkin, University of California, Los Angeles

"Babbitt is one of the principal makers of postwar musical thought and expression, whose importance for musical composition, theory, and pedagogy in the United States is beyond that of any other individual. This anthology of his writings will stand as a major monument of late twentieth-century musical thought and history."--Benjamin Boretz, Bard College

"Milton Babbitt's influence on American musical composition has been both enormously significant and highly controversial--two excellent reasons for assembling his writings, previously scattered and difficult to locate, into a single volume. Anyone studying or writing about twentieth-century music--in its technical, philosophical, or sociological aspects--will have to deal with parts or all of this invaluable collection."--David Hamilton, The Juilliard School

From reader reviews:

Jean Gaskin:

Here thing why that The Collected Essays of Milton Babbitt are different and trustworthy to be yours. First of all examining a book is good but it really depends in the content than it which is the content is as yummy as food or not. The Collected Essays of Milton Babbitt giving you information deeper and different ways, you can find any publication out there but there is no reserve that similar with The Collected Essays of Milton Babbitt. It gives you thrill examining journey, its open up your own eyes about the thing in which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in playground, café, or even in your method home by train. Should you be having difficulties in bringing the branded book maybe the form of The Collected Essays of Milton Babbitt in e-book can be your option.

Gary Spengler:

Spent a free time and energy to be fun activity to perform! A lot of people spent their down time with their family, or their friends. Usually they accomplishing activity like watching television, planning to beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Can be reading a book is usually option to fill your cost-free time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to attempt look for book, may be the guide untitled The Collected Essays of Milton Babbitt can be very good book to read. May be it could be best activity to you.

Leesa Banta:

In this age globalization it is important to someone to acquire information. The information will make someone to understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. The actual book that recommended to you is The Collected Essays of Milton Babbitt this publication consist a lot of the information in the condition of this world now. This kind of book was represented so why is the world has grown up. The dialect styles that writer value to explain it is easy to understand. Often the writer made some study when he makes this book. That is why this book suitable all of you.

Dolores Albert:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library

in order to make summary for some publication, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Collected Essays of Milton Babbitt can make you feel more interested to read.
