The Global Covenant: Human Conduct in a World of States By Robert Jackson

The Global Covenant, a ground-breaking work by one of the leading scholars in international relations, rejuvenates the classical international society approach and brings it into contact with the new era of world politics. This major study presents a comprehensive analysis of the most important international issues of our time, including peace and security, war and intervention, human rights, failed states, territories and boundaries, and democracy. It profitably draws on diplomatic and military history, international legal studies, and international political theory to address basic methodological questions and to present the elements of a human sciences approach to the study of world politics. *The Global Covenant* endeavors to justify the world-wide state system as a foundation of political freedom, and envisions the future of international society in the 21st century.

Editorial Review

Review

`This is the major treatise since Bull on international society, written with force and coherence ... Jackson also provides one of the most illuminating commentaries on the major events of the post-cold war era...I consider Jackson's investigation of public virtues in world politics to be a major achievement...The Global Covenant is an outstanding defense of the normative discourse in international theory and is at its best as a treatise on the principles and ethics of international conduct.'

International Studies Review

`Impressive not only in scope but also for the manner in which the author sustains his defence of the current international order...There is a great deal to admire in the book. The impression the reader gets is of being in the presence of a genuine scholar who brings to his subject immense depth and clarity of thought...The Global Covenant is a very important book - particularly for its unparalleled discussion of an interpretative method ... an eloquent vindication of the pluralist rules of international society.'

International Affairs

`Magnificent book'

Michael Joseph Smith, University of Virginia

`The Global Covenant explores the moral dimension of world politics. Locating that exploration firmly in the humanities, it offers a compelling alternative to mainstream social science approaches.'

Terry Nardin, University of Wisconsin-Milwaukee

About the Author

Robert Jackson is Professor of Political Science at the University of British Columbia.

Users Review

From reader reviews:

Sheri Furlong:

Have you spare time for just a day? What do you do when you have much more or little spare time? Yes, you can choose the suitable activity intended for spend your time. Maybe it is to be best activity for you. You realize beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with its opinion or you have various other opinion?

Gary Lewis:

Information is provisions for people to get better life, information presently can get by anyone at everywhere. The information can be a know-how or any news even a concern. What people must be consider while those information which is within the former life are hard to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take The Global Covenant: Human Conduct in a World of States as your daily resource information.

Edward Crosley:

Reading can called mind hangout, why? Because if you are reading a book mainly book entitled The Global Covenant: Human Conduct in a World of States your brain will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely will become your mind friends. Imaging every single word written in a book then become one type conclusion and explanation in which maybe you never get before. The The Global Covenant: Human Conduct in a World of States giving you a different experience more than blown away your head but also giving you useful information for your better life within this era. So now let us explain to you the relaxing pattern the following is your body and mind is going to be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

Lisa Mercado:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Global Covenant: Human Conduct in a World of States can make you sense more interested to read.
