## The Sorcerer's Secrets: Strategies in Practical Magick By Jason Miller

This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological selfhelp that effects only inner change. While magick can and should be both of these, it is something more. The Sorcerer-s Secrets is about success in practical magick; it is a book that aims at change in both the outer and inner worlds. Beyond a mere spell book or training course, The Sorcerer-s Secrets is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick. The second part presents clear strategies for tackling almost any type of issue with sorcery. In this book you will learn how to:

- Attack problems from multiple angles, not just by casting a spell.
- Blend mundane and magickal action to ensure success.
- Figure out whether what you are doing is working.
- Fix it if it isn-t.
- Go beyond readings, into magickal intelligencegathering.
- Influence the minds of other people.
- Work most effectively on behalf of others.

The Sorcerer-s Secrets will help rescue the art of Magick from those who have ignored, downplayed, or just outright denied the existence of practical sorcery in favor of arcane titles, intangible results, and fantasy attainments.

### **Editorial Review**

#### **About the Author**

Jason Miller (Inominandum) has devoted the last 20 years to studying magick in its many forms. He has traveled to New Orleans to study Hoodoo, Europe to study Witchcraft and Ceremonial Magick, and Nepal to study Tantra. Miller is a member of the Chthonic Ouranian Temple and the Sangreal Sodality, as well as an initiated Tantrika in the Nyingma and Bon lineages of Tibet. He is the author of Protection & Reversal Magick: A Witch's Defense Manual and the Strategic Sorcery blog. He is also a regular contributor to Behutet magazine. Miller lives with his wife on the New Jersey shore, where he practices and teaches magick professionally.

### **Users Review**
